Why rub the lamp?

Whiteboard video scribes are a fun and engaging way to get your message out there, raise awareness of your brand and inform and educate customers.

Ideal for websites and social media platforms, ScribeMe whiteboard video scribes capture the attention of viewers for much longer than conventional video.

Use ScribeMe whiteboard video scribes to demonstrate or explain a complex process, educate and train remotely.

Combine the popularity of YouTube with the low production cost of ScribeMe whiteboard video scribes and you have the perfect partnership for small business promotion.
